JHB/JB/30590  
4th July 1991

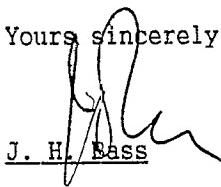

Dear Robert,

PM 1321 Philippines  
Our File: 30590

Further to my letter of 18th June, our Associates have now reported the filing of a copy of the issued U.S. patent in the Philippine Patent Office. A copy of their covering letter is enclosed.

They also ask whether you would agree to amending the claims in the Philippine application to agree with those of the issued U.S. Patent. Since practice in the Philippines is very close to that in the United States, I imagine you will have no objection. Nevertheless, I would prefer to have your explicit instructions to that effect and look forward to your early reply.

Yours sincerely,

  
J. H. Bass
